The Chosen (The Legend Chronicles) Theresa Meyers

The Chosen: a prophecy older than dirt and more dangerous than death. Even as they perfected steam-powered gadgetry and rounded up varmints from Hell, the Jackson brothers didn't believe in it. But when the chips are down, three brothers named for weapons aren't going out without a fight. . .

A Walk On The Wild Side

Attorney by day, demon-hunter by night, Remington Jackson is used to being on the sunny side of the law, even in the Wild West. But it's showdown time, and Remy and his brothers are getting desperate. They don't have the relic they need to slam the door shut on evil--so Remy is going to have to find and steal part of it.

Enter China McGee, shapeshifter, thief, beauty, and current prisoner. When Remy offers her freedom in exchange for a little light-fingered help, she's pretty sure she's going to end the association with a good old-fashioned seductive double cross. But there's something about fighting through a jungle full of Mayan ruins that makes you want to settle down together. China could change. Remy might be special. But none of that matters if the devil takes them all. . .

"Meyers is a genuine, fresh voice in the paranormal romance genre." --*RT BookReviews* on *The Slayer*

"Meyers puts the steam in steampunk." --Cherry Adair
