When the Bough Breaks Joanne Jones

Until the moment she first heard that she was infertile, Joanne Jones had taken for granted that she would become a mother with a family of her own. Now she would spend the next decade doing everything within her power to conceive or adopt. From endless rounds of IVF to faith healing and Chinese herbs, she tried them all, believing that with enough willpower and determination she would succeed. But it was not to be. And then began Joanne's real challenge, the painful task of how to accept and adjust to the fact that she would never be a mother, never hold her own child, never share the ups and downs of parenting with her partner.
