A Guide to Scriptural Symbols Joseph Fielding McConkie, Donald W. Parry

A Guide to Scriptural Symbols is precisely what its title claims: not the only guide, not the definitive guide, not the most thorough guide, but a useful general guide to the basic meanings of scriptural symbols. Introductory in its intent, this reference book is targeted specifically for Latter-day Saints. Its tendency toward overview rather than detail, summation rather than explication, and tradition rather than investigation make it a helpful book for general students of the scriptures—missionaries, Sunday School teachers, and most Latter-day Saint readers.
