A History of Myanmar since Ancient Times: Traditions and Transformations

Michael Aung-Thwin, Maitrii Aung-Thwin

A History of Myanmar since Ancient Times: Traditions and Transformations Michael Aung-Thwin, Maitrii Aung-Thwin

The Republic of the Union of Myanmar, known amongst English speakers as Burma, is often characterized as a place of repressive military rule, civil war, censorship and corrupt elections – and despite recent attempts to promote tourism to this little-known country, few people visit this region of Asia.

In *A History of Myanmar since Ancient Times*, Michael Aung-Thwin and Maitrii Aung-Thwin take us from the sacred stupas of the plains of Bagan to the grand, colonial-era British mansions, revealing the storied past and rich culture of this country. The book traces the traditions and transformations of Myanmar over nearly three millennia, from the relics of its Neolithic civilization to the protests of Buddhist monks in the early twentieth century, the colonial era of British rule and the republic that followed. The authors also consider the present-day life, culture and society of the largest country in mainland Southeast Asia and examine the 2010 elections – its first in over twenty years.

The most comprehensive history of Myanmar ever published in the English language, this book makes a significant contribution to our understanding of Southeast Asian history and will surprise, challenge and inform in equal measure.
