Baby Boomers and Popular Culture: An Inquiry into America's Most Powerful Generation: An Inquiry into America's Most Powerful Generation Thom Gencarelli

The Boomers are the generation that changed everything, from economics to politics to popular culture. This book examines the myriad ways and long-reaching consequences of the now fully "grown up" Baby Boomer generation on America.

- Supplies comprehensive, critical analysis of the legacy of the Boomer Generation that examines the benefits and drawbacks of the enormous changes this generation of Americans instituted
- Presents accessible but rigorous, scholarly analysis from a broad range of experts in multiple fields
- Spotlights the ways in which pop culture at large has responded to the Boomers' influence or example—sometimes in vehement opposition and at other times with imitation or flattery
