Encontrando A Missão Da Alma (Portuguese Edition) Marcio Higa

Afinal, quem somos, de onde viemos, para onde iremos, só existe esta vida? Dúvidas que muitos ainda não encontraram respostas, e outros nem sabem do que se trata, devido ao ritmo desenfreado em que os seres humanos situam-se neste “mundo moderno”. Vale a pena trabalharmos tanto, para termos cada vez mais recursos materiais, e sermos cada vez menos, abrindo mão de coisas essenciais à nossa Alma, como lazer, amigos, descanso, e principalmente, a família? Esta obra mostra que encontrar a Missão da Alma é simples, ou muito simples, mas não significa que é fácil, pois ainda é extremamente difícil para muitos. Basta colocarmos o nosso EU SUPERIOR, que é a nossa ALMA, no comando, e deixar que nos guie e nos oriente, através da intuição, sem a interferência do nosso eu inferior, que é o nosso ego! E assim que definirmos o caminho, vamos a passos firmes e seguros, onde a direção será muito mais importante do que a velocidade, e se preparem para enfrentar os obstáculos e os pontos obscuros, pois para atingirmos a LUZ, se faz necessário transpormos essas barreiras e adversidades. E quando caírem, levantem-se, e caso se sintam intimidados, ergam a cabeça e sigam em frente; desistir, jamais!
