From Curses to Blessings: Removing Generational Curses Ken Harrington, Jeanne Harrington

From Curses to Blessings takes readers through a thorough teaching on the various causes that allow curses to enter our lives, including generational patterns and personal sin. The authors give substantial scriptural support to their message, along with lists of demonic spirits associated with various sins and prayers for freedom. Since the material covers the full range from murder and prostituting oneself to the way one speaks about one's neighbor or thinks about one's spouse, all believers will be able to find something to apply to their lives to gain greater freedom. The final chapters include faith-building material on how to release God's blessings into our lives.
