Il fiato spezzato (Italian Edition) Paolo Scavino

Il Fiato Spezzato è un racconto lungo che mescola narrazione e pensieri privati di un professionista che affronta un momento di crisi della propria esistenza, concentrandosi su ciò che sa fare, il formatore, e su ciò che ama fare, correre.

A metà tra autobiografia e racconto di fantasia descrive la difficoltà e al tempo stesso la necessità di andare oltre gli slogan e le mode manageriali per concentrarsi sul senso profondo della propria attività.

La corsa, il sudore e il fiato spezzato sono la rappresentazione più vera di questa ricerca.
