Little Men Louisa May Alcott

The beloved characters of Louisa May Alcott's classic tale, *Little Women*, return in *Little Men*, where we find Jo and her husband Professor Bhaer running a boys' school. Plumfield, a place of learning, friendship and camaraderie, and also good-hearted mischief, is home to a bevy of rambunctious boys. Through scrapes and bruises, temporary expulsions and the challenges of young love, Jo's students manage what they never thought possible: growing up to be real little men.

Little Men is considered the unofficial sequel to Louisa May Alcott's beloved work, *Little Women*. It has been adapted twice for film and once for television.

HarperPerennialClassics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.
