## **Luke and Jon** Robert Williams

Luke's mum is dead. He finds himself in a small, scruffy northern hill town, with a near silent father, who he fears might be trying to drink himself to death. Then he meets Jon.

Jon is massively strange. He wears 1950s clothes, has a side-parting and a twitch. The kids at school call him 'Slackjaw'. When Luke discovers his secret, Jon changes his life in more ways than he can imagine.

**Luke and Jon** is a coming of age novel about family, bereavement and how lives can change forever in a single second. Written with great power, warmth and humour, it signals a hugely engaging and original new voice. Compelling and emotionally acute, it is a unique debut.
