Staten Island Town by Town John Louis Sublett

Known as "The Borough of Parks," Staten Island has been home to many families that were looking for a more quiet and serene way of life. With its diversified cultures and its vast amounts of arts and entertainment, this is what so many people found attractive. Staten Island is the southernmost part of both the City and State of New York, with Conference House Park at the southern tip of the island and the state. The borough is separated from New Jersey by the Arthur Kill and the Kill Van Kull, and from the rest of New York by New York Bay. Here are some old time places in Staten Island, I am sure you never heard of, Skunk's Misery, Haunted Swamp, Gun Factory Road, Indian Hill, London Bridge, Owl's Hollow, Pig Alley and Burial Ridge. In this book there are 100 pages of Old Staten Island names from 1900.
