Being the new girl at school is rough. But when the popular girls choose Kerry as the newest member of their ultra-exclusive clique, she thinks her troubles are finally finished. When her three new friends are killed in a horrifying car crash, her life seems over as well. But then the texts begin. . . .

Richard Peck returns to his contemporary teen- and ghost-story roots in this suspenseful page-turner with a subtle commentary on peer pressure that fans of television dramas such as *Pretty Little Liars* and *Vampire Diaries* will devour.
